

PARKING & HIGHWAY

TENSACONE™ TOPPERS

- Transforms your line of traffic cones into a cost effective temporary barrier system
- Ideal for use in health and safety, roadside maintenance and engineering applications, or anywhere where a temporary barrier is required
- For use with a base weight and fits most standard traffic cones
- Fits securely to the top of the cone; retracting heavy-duty belt is connected to the next cone providing up to 12' of barrier
- More effective at restricting access than cones alone
- Faster and easier to use than string or traffic tape
- Lighter and easier to set up than rigid barriers
- Less cones are required, saving space and money
- Robust construction, stands up to heavy-duty use
- 13' red and white diagonal stripe belt
- Other colours available upon request

Cones not included
