- **SUPERIOR FINISHES**
Cleaner edges, smoother welds, and flawless paint
- **EXPANDED PRODUCT LINES**
More ways to get what you need
- **CONTINUOUS PRODUCTION**
Robot-assisted lines keep us moving
-  **PROUDLY CANADIAN**
Built here, with Canadian steel and paint

INNOVATION WITH PURPOSE

These upgrades reflect our ongoing commitment to innovation, customer success, and strengthening Canadian industry. By equipping our facility with state-of-the-art technology, we're increasing speed, precision, and production flexibility—so you get what you need, when you need it.

Keeping our manufacturing here at home means simplified supply chains, greater quality control, and a direct investment in the future of Canadian business.

KLETON

EMPOWERING INDUSTRIES WITH QUALITY

K-CUSTOM: BUILT FOR YOUR BUSINESS

When off-the-shelf just doesn't cut it, turn to K-Custom, our line of precision-built steel products designed to meet your exact specs. Whether you need slight modifications or a fully-custom build, KLETON delivers Canadian-made quality without compromise.
